

Curriculum Vitae

Dr. rer. nat. Philipp Klahn

Research Topics

Development of antimicrobial and anticancer drug-conjugates,
Design of smart drug-conjugate linker technologies, Turn-on fluorescent dyes,
Total and semi synthesis of bioactive natural products, Conjugation chemistry,
New synthesis methodology

Current Position

Since 03/2017 **Junior Research Group Leader**
Technische Universität Braunschweig, Institute of Organic Chemistry, www.klahnlab.de

Scientific Background

03/2015-02/2017 **Senior Postdoctoral Research Fellow, Feodor-Lynen-Rückkehrer Fellow**
Helmholtz Centre for Infection Research (HZI), Braunschweig/ Germany
With Prof. Dr. Mark Brönstrup

01/2014-01/2015 **Postdoctoral Research Fellow, Feodor-Lynen Fellow**
Rice University, BioScience Research Collaborative (BRC), Houston/TX, USA
With Prof. Dr. K. C. Nicolaou,

10/2010-01/2014 **Doctoral Studies (Dr. rer. nat.),** Fellow of the Fonds der Chemischen Industrie (FCI)
Bergische Universität Wuppertal (BUW), Wuppertal/ Germany (09/2011-10/2013)
and Technische Universität München (TUM), Garching/ Germany (10/2010-09/2011)
With Prof. Dr. Stefan F. Kirsch,

10/2008-6/2010 **Master of Science (Chemistry),** Fellow of the *Hans-Rudolf* Foundation
Technische Universität München (TUM), Garching/ Germany

10/2005-07/2008 **Bachelor of Science (Chemistry),** Fellow of the *Hans-Rudolf* Foundation
Technische Universität München (TUM), Garching/ Germany

09/2002-01/2005 **Apprenticeship as Laboratory Assistant**
ALTANA Pharma AG, (now Nycomed/Takeda AG), Konstanz/ Germany

Scholarships and Awards

04/2020 Max-Buchner Fellowship of the Max-Buchner Foundation/DECHEMA e.V.

Since 03/2019 Member of the Board of the Junge BWG (Braunschweigische Wissenschaftliche Gesellschaft)
2019 Thieme Journal Award 2019

Since 11/2018 Appointed founding member of the Junge BWG (Braunschweigische Wissenschaftliche Gesellschaft)

03/2015-03/2016 *Feodor-Lynen* Rückkehr fellow of the *Alexander-von-Humboldt* foundation

12/2014 Ph.D. Award, GFBU-Dissertationspreis 2014, Gesellschaft der Freunde der Bergischen Universität

2014-2016 Honorary member of the Gesellschaft der Freunde der Bergischen Universität (GFBU)

11/2014 Ph.D. Award of the Verein zur Förderung von Mathematik und Naturwissenschaften e.V., Bergische Universität Wuppertal

05/2014 Bayer-Postdoc-Workshop 2014, Parsippany/ NY, USA

01/2014-01/2015 *Feodor-Lynen* fellow of the *Alexander-von-Humboldt* foundation

10/2010-10/2012 Fellow of the Fonds der Chemischen Industrie (FCI)

07/2010 Award of the Bayer-Schering Pharma AG for acknowledgement of outstanding performances in the synthesis of novel steroid intermediates in actual projects

10/2007-09/2010 Fellow of the *Hans-Rudolf* foundation

01/2005 Award for best of class 2005, Kerschensteiner professional school
