

Curriculum Vitae

Dr.-Ing. Susana Castillo

Research Topics

Embodied Conversational Agents (design and assessment)
Facial animation and multi-modal communication
Visual perception
Image and video manipulation
Virtual reality
Integration between psychology and computer graphics

Current Position

Since 07/2019 **Postdoctoral Fellow and Lecturer (Akad. Rat)**
Institute for Computer Graphics, graphics.tu-bs.de
Technische Universität Braunschweig, Germany

Scientific Background

2019 **Dr.-Ing. degree in Computer Science**
Graphic Systems Department,
Brandenburg University of Technology, Cottbus/ Germany
With Prof. Dr. Douglas W. Cunningham

2012-2019 **Research Fellow and Lecturer**
Transformationally Invariant KInematics (TIKi) Lab
Brandenburg University of Technology, Cottbus/ Germany

2011 **Ingeniero Superior en Ingeniería Informática y Sistemas (Computer Science Engineer, Ing.)**
Escuela de Ingeniería y Arquitectura,
Universidad de Zaragoza, Zaragoza/Spain.
With Prof. Dr. Diego Gutierrez

2009-2012 **Junior Research Fellow,**
Graphics and Imaging Lab,
Universidad de Zaragoza, Zaragoza/Spain.
